HOMECOMING 1982

Column 1: (Jennifer Casper). Column 2: (Jeff Watson, Doug Powell) (Mr. Bowman's Homeroom Pumpkin). Column 3: (Megan Mahan, Jennifer Ballard, Kim Clevinger) (Neil Horn, Rick Schultz). Column 4: (Lisa Vance, Michelle Delaney, Trisha Copeland, Daphne Wells, Tami Biddle, Cari Berg, Krista Hogland) (Julie Kajita, Natalie Welch, Laura Everett, Jennifer Michael, Lynn Tyler, Any Deeringhoff, Mikki Merrifield.) Column 5: (Lori Debruyne, Kim Ray).

During Homecoming week various activities took place. Monday started it all off with 'punk day' and a jello-eating contest, which was won by Phil Girsberger and Michele Delaney. Tuesday was 'occupational day' and an egg-toss at noon was won by Chuck Ahsmuhs and Rocky Beal. Wednesday was 'bizarre day' and at lunch the traditional Girls League Boys Fed tug-of-war over the Yellowhawk was held. The boys were victorious with a little help from their cleats. Thursday was 'history's most admired people day.' That evening the Wa-Hi girls volleyball team hosted the Eisenhower Cadets and a bonfire

did take place, even in the rain. Friday was 'blue and white day' with a bat race at lunch. The juniors took first; the seniors, second; and guess who took third. In the afternoon the traditional Homecoming assembly was held and the royalty announced.

Mr. Bowman's homeroom won the pumpkin carving contest, and Mrs. Oakley's, the ugliest homeroom contest.

Friday night, the Wa-Hi Blue Devils stomped the Wenatchee Panthers, 23-10 before an enthusiastic crowd on a cold, misty night.

On Saturday night the traditional Homecoming dance was held in the gym with the theme, "Crystal Illusions."

Our time together has quickly passed,
But the memories will ever last.

We seek the future with closed eyes,
Not knowing what ahead of us lies.

But, now we can take our dreams and make them realities not just visions.
We can use what we have learned to make wise decisions.

Entering a life of responsibilities that we have prepared for through those years,
We can now look onward with less fears.

And now as we say good bye to all of our friends there is sure to be a tear,
But the memories we will always hold near.

We don't know if we will ever meet again,
But we know we have made some special friends,
And the thoughts of them we'll hold until the end.

Undefeated Big Nine League Champions, Fourth Place in State Rankings, Quarterfinals of the State Playoffs— they were a team that personified what dedication and commitment to a common cause is all about. They worked for each other and gave of themselves unselfishly in their drive to be the best. Individually they had a few stars, but collectively they were the best in the league and one of the best in the state. Aided by an outstanding group of cheerleaders, who were simply the "Best in the League," and a band, that can only be described as 'awesome,' their accomplishments spoke loud and clear. Together they were CLASS and they leave a heritage of winning that will be envied for years and compared to by many. This group of under-rated athletes made the dream of league championships and state playoffs possible for future Wa-Hi teams. They were the 1982 Wa-Hi Football Team and they were GREAT.

With an opening loss against Clarkston, the only scar on an unblemished regular season schedule, the "little" people of Wa-Hi won the next 9 games in a row. The come from behind win against Kamiakin, scoring 2 touchdowns in the final 4 minutes, set a pattern that not only would draw the entire community together but also would become the trademark of this tough and efficient Wa-Hi football team. Easy wins against Moses Lake, Davis, and Pasco saw the Blue and White from Wa-Hi prepare for the league leading #1 state ranked Kennewick Lions. 5000 fans from Kennewick and Walla Walla jammed Borleske Stadium to watch the battle for league supremacy. Words of 'incredible' and 'Fantastic' were common place and many watched in disbelief as a field goal in the final 6 seconds, climaxing a 16 point scoring spree by the under-dog Wa-Hi team in the final 4½ minutes, spelled defeat to the tough lions team. The 'machine' from Walla Walla moved from the 'also rans' in state rankings to sixth.

A big win over preseason favorite, Richland, set the stage for a Homecoming game against the state's 8th ranked Wenatchee Panthers. In front of another 'standing room only' crowd the Blue Devils ended 24 years of community and school frustration as the Panthers went down, 24-10. A 'ho-hummer' vs. Ike and the Walla Walla Blue Devil Football Team had claimed the first Big 9 League Championship in 20 years and the #1 seed to the State Regional Playoffs.

A community pep rally which filled the Wa-Hi Gym preceeded the first round playoff win over Spokane's #2 team, the Central Valley Bears. The Devils then prepared for their quarter final game in Spokane against the tough Gonzaga Prep Bullpups in Joe Albi Stadium. Ten buses filled with students, band members, parents and fans traveled to Spokane for the Quarter final game which saw the eventual state champions, the Gonzaga Pullpups, bring to an end an outstanding Blue Devil football season.

Individual and team honors were many as 12 players received All Conference Honors, with 5 being placed on the First Team. The onslaught of school records was unmatched as 39 out of 45 existing football records were tied or broken. An overflow crowd at the end of the year banquet at the Elks and the Pizza Party for the outstanding Rally organization of 150 strong ended an outstanding fall of football activities.

The Walla Walla Blue Devil basketball season of '82-'83, a great season, began with seven straight wins and a state ranking of fourth place, But as the new year evolved, the Blue Devils dropped three consecutive games to Davis, Wenatchee, and Pasco. Needless to say 1983 was not looking too bright.

Fortunately, some decisions were made and some goals were set. The team responded with 15 wins in a row. Included in those wins was a tie for the Big Nine Conference Championship, a 66-60 overtime victory over Pasco for the District title, a 66-65 thriller over Shadle Park for the regional title, and a trip to Seattle for the State Finals.

With wins over Mountain View and Franklin, the Blue Devils earned a shot at the State AAA title for the first time since 1952. Although we ended the season losing to Garfield in double overtime, the Blue Devils and Walla Walla High School gained well-deserved respect throughout the State.

Our 23-4 win-loss record was by no means an easy task. There were many thrilling come-from-behind victories in which the players had to dig deep to come out on top. Winning in this manner made the '82-83 season especially memorable and gratifying.

BASKETBALL

Another winning season was produced by the Blue Devil Girls basketball team. They ended their season with a very respectable 19-5 record.

The season started off as expected with the girls taking a clean sweep in the four pre-season games including an exciting 55-54 win over Shadle Park in Spokane.

The Blue Devils continued their winning ways throughout the first round of league play with big wins over Kamiakin 69-59, and Richland 55-50. The second round of league play proved to be a tougher test for Wa-Hi as they lost to Kamiakin 49-52, Richland 47-40, and Wenatchee on the road 37-42.

But the girls bounced back with great spirit and determination as they earned the right to play in the District Championship game by defeating the Kamiakin Braves on their home court in Kennewick 63-58.

The Blue Devils played with all their might, but the experience of the seniors from Richland and Kamiakin proved to be too much for our young Devils. The girls were denied that precious State Berth Spot this year, but next year, this story will be different.

In the beginning, it was clear that the Blue Devils were young. With only five seniors on a team of forty, it was evident that there would be plenty of mistakes, and many lessons to learn.

How fast could they improve? How much could they learn? Did they have the courage, desire, and heart to make the great gains necessary to be ready for tournaments?

These, and many more, are the questions facing any young team. These, and many more, are the questions that have been answered.

I think the real beginning was in the Richland duel. Three seniors led with two pins and a big decision. They led with an example easily understood by the young Blue Devils. From that point on, our young Devils knew what team effort and committment to winning were. They still made mistakes, but they were learning. They were gaining confidence. They were gaining respect.

Then it happened!
They went to tournaments.

At the District, they fought hard. They won, and they lost. Either way, it was a whole effort. Points were given grudgingly and gotten savagely. The Blue Devils never quit. Only four went on to Region, but they carried the hearts of the whole team. They were determined that all should go to State.

And they did!

But it's how they did it.

They gave true meaning to a phrase that's been around for a long time. After the semifinal round, three had their backs to the wall. They must win matches in order to qualify for state. Two faced opponents they had lost to. The other went into the final five seconds of his crucial match trailing by a point. For all three it looked as though it was all over. They all three won!

They all three proved: "It ain't over until it's over".

The rest is history. They all had great State Tournament show-

ings. They all return as Blue Devils next year. They all bring back from the State Tournament much hard earned and well deserved respect. Most of all, however, they bring back a challenge to their own teammates and the rest of the state. It ain't over.....
